

Veterinary Care Services Grant Application

Maximum Grant: \$500 each

As stated on our website (www.MCPAW.org):

- Grant awards will **NOT** be made for routine and preventive veterinary care, vaccinations, or spay/neuter procedures.
- Grant awards will be paid directly to the treating veterinarian.
- Documentation from the vet including the diagnosis and procedure cost estimate is required along with the application form.
- The maximum benefit per grant is \$500 per 12-month period. Any veterinarian fees above the grant amount are the responsibility of the pet owner/grant requestor.
- Grant awards will be based on availability of funds.
- Tax reporting obligations are the sole responsibility of the grant beneficiary and/or his/her/their tax professional.
